

## Greetings from Mauritius

The Mouvement Socialiste Independent is a new political party which stood candidates in the election on July 3<sup>rd</sup>.

Message reads:

'The MSI argues that fundamental change to the political and economic system is needed to give democracy and the right to vote a new lease of life. We send revolutionary greetings to all comrades on 23<sup>rd</sup> July 2005. We are basing our work on **A World to Win** as a framework for fighting global capitalism.'
